

## NOTICE OF POSITION AVAILABLE

### POSITION:

### Aerial Firefighting Pilot

Conair is looking for pilots to join our team for the 2018 Operating Season.

Successful candidates will have a total of 2500 hours P.I.C including 500 hours Multi-Engine P.I.C a Valid Class 1 Instrument rating and hold a valid ATPL. All pilots **must** have the right to work in Canada and have a valid passport. Preference will be given to candidates with heavy multi crew and single pilot IFR experience. We are also interested in candidates that have the right to work both in Canada and the US.

We have carefully selected the aircraft that we operate to provide full scale aerial fire suppression services to our customers. Each of our aircraft has been purposely designed and built for launching aerial attacks on forest fires under extreme conditions. Our fleet includes:

#### Air Attack - Bird Dog Aircraft

- Piper Aerostar PA-60 (Administration and Support Only)
- Twin Commander TC-690
- Cessna Caravan C208B
- Cessna C525

#### Air Tankers

- L-188 Electra
- Convair CV580
- Air Tractor AT802
- Air Tractor AT802 Amphib
- Canadair CL215T
- AVRO RJ85

### HOW TO APPLY:

If you are interested in an exciting career in aerial firefighting operations, forward your resume to [comework@conair.ca](mailto:comework@conair.ca) today with **Pilot 2018** in the subject line.
